

DENPAC

Texas Dental Association Political Action Committee

TDA Key Contact (ke kon-takt) – noun. An individual who is committed to the advancement of TDA issues and who serves as a liaison to one or more elected or appointed policymakers.

The Texas Dental Association needs you to serve as a Key Contact to Texas' state officials. Do you know the Governor, Lt. Governor, a legislator and/or a state official? If so, let us know and, if not, let us help you build a relationship with your legislators in your district!

In an effort to increase TDA's contact database and build our strength at the grassroots level, we would like you to list those elected/appointed officials to whom you could serve as a Key Contact. A strong grassroots organization will help to ensure the dental profession a voice in government.
