Texas Dental Association
Dental Tourism Reporting Form

Background

At its 2007 meeting, the Texas Dental Association House of Delegates approved resolution 54-2007-RCD5S-H, which charges the Council on Dental Economics to develop a repository detailing patient problems with dental treatment received in Mexico.

To that end, the Council on Dental Economics has created a Dental Tourism Reporting Form to give our members the opportunity to provide the TDA with information about: (1) the problems they are experiencing with patients who receive dental treatment in Mexico; and (2) the insurers and third party administrators paying claims submitted by dentists in Mexico.

**Please note this form is for information gathering purposes only. No individual follow-up is intended other than acknowledgement of the TDA’s receipt of the form. Each member dentist who submits a reporting form to the TDA will be assigned a number or other identifier. After such number or other identifier is assigned, the member dentist will be referred to by the assigned number or identifier and will no longer be referred to by his or her name. The first page of the reporting form will not be submitted to any other person outside the TDA. Each member should read the first page of the reporting form in its entirety before the form is submitted to the TDA.

A copy of the form can be found on [www.tda.org](http://www.tda.org). Please print a copy of the form and review it in its entirety. After the form is completed, please mail or fax the completed form and supporting documentation, if any, to 512-443-3031 or 1946 S IH 35 Suite 400, Austin, Texas 78704. The TDA will acknowledge its receipt of each form to the member submitting the form. Members are encouraged to retain copies of the reporting form(s) and any supporting documentation submitted to the TDA.

Please note that the reporting form is to be filled out by TDA member dentists only. The TDA will not accept reporting forms from non-member dentists and/or the general public.

Questions regarding the reporting form should be directed to Donna Cortez at 512-443-3675 or dcortez@tda.org.
